SMITH PLEASED TO ANNOUNCE \$100,000.00 GRANT TO HIGHLAND PARK

HIGHLAND PARK- Senator Bob Smith is pleased to announce that Highland Park has been awarded a Department of Environmental Protection 2004 Statewide Livable Communities grant.

This award, in the amount of \$100,000.00 will be used for the Highland Park Environmental Educational Center.

Senator Smith commented that "Highland Park is striving to protect the environment and expand on environmental education activities for its citizens. The benefits of the Environmental Educational Center in Highland Park will not only be felt throughout the community but throughout the state".
